Overall Product Score: 8/10

Recommended

For an easily available, over the counter, moisturizing cream, Aveeno All Natural Skin Relief Moisturizer has an overall low hazard rating and we consider it a safe product to use. That said, individuals with sensitive skin need to be aware that this cream does contain chemicals that can irritate the skin and cause allergic reactions. For individuals who are concerned with animal testing, it is important to note that Aveeno DOES test on animals.
