

Magna Global 6K for Water

World Vision

**GLOBAL
6K FOR WATER**

Magna is partnering with World Vision to help solve the global water sanitation crisis!

Who is World Vision?

World vision is the largest non-governmental provider of clean water in the developing world. World vision partners with children, families, and their communities to reach their full potential by tackling causes of poverty and injustice.

Nearly 1,000 children under 5 years of age die every day from diarrhea caused by contaminated water, poor sanitation, and improper hygiene.

What is the Global 6K for Water?

The Global 6K for Water is a 6 KM walk/run that raises money to support clean water projects in the developing world. Each participant completes 6 KM through walking, running, biking, skateboarding etc. and their registration fee helps bring clean water to children in need.

Why 6 Kilometers?

Six kilometers or 3.7 miles is the average distance that women and children walk daily in the developing world to access drinking water for their families

Magna Goals

- 10,000 global participants
- \$250,000 raised globally
- An additional \$250,000 Magna Match donation
- 1000 lives will be impacted if we reach our goal
- Magna will match all donations made through the World Vision registration site
